I. Financial support for the research presented in this manuscript

Please state all sources of financial support for the research described in this manuscript. If the work did not rely on any financial support, this fact should be stated explicitly.

The research contained in this manuscript was funded by the U.S. Agency for International Development (USAID) under the Feed the Future Developing Local Extension Capacity (DLEC) project, led by Digital Green; by USAID's Feed the Future Digital Development Lab; and by the CGIAR Research Program on Policies, Institutions, and Markets (PIM), led by the International Food Policy Research Institute (IFPRI) and carried out with support from the CGIAR Fund contributors (<https://www.cgiar.org/funders/>).

II. Financial support for authors of this manuscript

1. In the past three years...

- a. Have you received financial support summing to at least \$10,000 from any individual, group, or organization that has a financial, ideological, or political stake related to the manuscript? This question regards all support received and not just support for the production of this manuscript. Yes/No

No

- b. If yes, then in each case please state all forms of support, which may include consultant fees, retainers, grants, in-kind support such as access to data, and the name

of source for this support (i.e., individual, group or organization that has a financial, ideological or political stake related to the article).

2. In the past three years...

- a. Has any family member¹ received financial support summing to at least \$10,000 from any individual, group, or organization that has a financial, ideological, or political stake related to the manuscript? Yes/No

No

- b. If yes, then in each case please state all forms of support, which may include consultant fees, retainers, grants, in-kind support such as access to data, and the name of source for this support (i.e., an individual, group or organization that has a financial, ideological or political stake related to the article)

3. For this article,

- a. did any of the support that you obtained involve a non-disclosure obligation? Yes/No

No

If yes, then please explain the nature of this obligation to the extent your legal obligations allow.

III. Paid or unpaid positions held by authors of this manuscript

- a. Do you or your family member hold, or in the last three years have held, any paid or unpaid position in an organization whose policy positions, goals or financial interests relate to this manuscript? Yes/No

No

¹ Family member refers to your spouse or domestic partner, children, and any other close relative.
